

MEDIUM SECURITY FACILITIES

The Facilities Division is responsible for the direct supervision of all offenders sentenced to the Georgia Department of Corrections. There are 14 medium-security prisons statewide. Offenders classified as medium security typically fall in one or more categories: no major adjustment problems, may work outside prison fence under constant supervision, and are the largest category of offenders in the system.

MISSION

The Georgia Department of Corrections protects the public by operating safe and secure facilities through the development of professional staff and effective offender management.

Tyrone Oliver, Commissioner
Alan Watson, Chief of Staff
Ahmed Holt, Assistant Commissioner Facilities Division

OVERVIEW

Upon arrival into the Georgia Department of Corrections (GDC) custody, all offenders are classified and given a security level. This security level drives which prison an offender will be housed.

STATE PRISONS	LOCATIONS
Autry	Pelham
Calhoun	Morgan
Central	Macon
