GEORGIA DEPARTMENT OF CORRECTIONS VOLUNTEER HANDBOOK

PREFACE

This volunteer handbook was developed as a quick reference guide for current and prospective Georgia Department of Corrections Volunteers. This document is intended as a living document that will receive periodic updates. Also, if you have interest in volunteering at a specific facility, the facility chaplain is the best and first point of contact. A facility chaplain listing is included in the document appendix. If you are volunteering as part of a group, your group coordinator is the first logical point of contact for volunteering. Also, the Department of Corrections Volunteer Services staff is always available to assist you with volunteer coordination at 478-992-6406 or 478-992-5908.

GEORGIA DEPARTMENT OF CORRECTIONS VOLUNTEER HANDBOOK

GEORGIA DEPARTMENT OF CORRECTIONS CORE VALUES

The Core Values of Courage, Determination, and Teamwork reflect the values of the organization and form the foundation on which GDC employees work and conduct themselves.

SAFETY AND SECURITY

The safety and security of visitors, staff and offenders are the most important concerns in any correctional facility. Georgia Department of Corrections staff are trained and have planned for emergency situations ranging from mediating a fight between two offenders to handling a major disturbance.

1. **In General: Always notify staff in case of an emergency! Also, ALWAYS follow staff directions in case of an emergency!**
2. Chemical Hazard Communication Information:
 - You have a right to know if any chemical substances you encounter are hazardous to you.
 - If you have any questions regarding chemical substances you may be exposed to, contact a supervisor who will explain if there are hazards associated with the use of those chemicals.

GEORGIA DEPARTMENT OF CORRECTIONS VOLUNTEER HANDBOOK

3. Blood and Body Fluid Precautions:

Because of the potential hazard of contracting hepatitis B and/or the human immunodeficiency virus (HIV) that are transmitted by blood or other body fluids, you are asked to please refrain from assisting in any situation which may lead to contact with blood and/or body fluids.

4. Fire:

There are fire evacuation plans posted in all areas of the facility. Locate them and familiarize yourself with the appropriate escape routes and emergency phone numbers.

VOLUNTEER SERVICES

GEORGIA DEPARTMENT OF CORRECTIONS VOLUNTEER HANDBOOK

VOLUNTEER SERVICE AGREEMENT

GENERAL STANDARDS

As a volunteer of the Georgia Department of Corrections, herein referred to as GDC, I agree to the following standards of general conduct.

1. I will conduct the activities related to my volunteer service in accordance to the Standards of Conduct and Standard Operating Procedures as set forth in SOP 109.01. I will not knowingly violate any part of these policies or seek to circumvent the intent of the same. If at any time I am unclear or uncertain concerning a policy or procedure, it is incumbent upon me to contact my group leader for clarification.
2. I will be respectful to all staff, inmates, and other volunteers during each part of my volunteer service.
3. I will not disparage, disregard, or be dismissive of another person's faith while performing my volunteer service. I will not coerce any inmate or staff to alter or change their belief system.
4. I understand that I may be denied access to any unit at any time for any reason. I understand that any program may be delayed or cancelled due to institutional needs at any time for any reason.
5. I will not discuss GDC issues with the media or make public statements on behalf of GDC.
6. I understand that my status as a volunteer can be terminated at the discretion of GDC and that upon termination I am without recourse. I understand that if terminated I can at a future time reapply for active status.
7. I understand that GDC has completed a criminal background check in response to my application and will complete a criminal background check each year to renew my status. If I choose not to have a criminal background check performed, I will notify GDC Volunteer Services in writing. This will terminate my status as a volunteer.
8. I consent to a search of my person, my property, and my vehicle at any time while on the property of GDC.
9. I will maintain control of my personal property at all times and immediately report any lost or stolen items.
10. I agree to assume fully all the risks, which may result from my volunteer service in and for GDC and agree to indemnify, defend, and hold harmless GDC and the State of Georgia. Furthermore, I agree to waive all claims of any nature that I may have against GDC and the State of Georgia, its agencies, departments (including the Department), authorities and instrumentalities (including the State Tort Claims Trust Fund), and the officers, directors and employees of each, waiving all rights against any of them (collectively, the "State"), for personal injury, property loss, or property damage arising from or in connection with my service as a volunteer.

PROHIBITED ACTIVITIES

I understand that in the performance of my duties as a volunteer for GDC I will be entering a secure facility. As such, there are certain activities that are strictly prohibited. I agree to fully abide by the policies concerning these activities.

1. I understand that unauthorized items are considered contraband and the introduction of any contraband into a secure facility is a violation of state law and is subject to criminal prosecution. Restricted items must be approved by facility leadership (usually Warden, DW C/T, DW Security, or designee). I will only bring in items that have been preapproved and that are designated for my volunteer services.

GEORGIA DEPARTMENT OF CORRECTIONS VOLUNTEER HANDBOOK

Contraband includes, but is not limited to: alcoholic beverages, tobacco products and paraphernalia, narcotics and drugs and related paraphernalia, explosive devices, lighters, mace or related objects, knives, firearms, or any item that may threaten the safety and security of the institution, its population, staff, or volunteers.

Restricted items include, but are not limited to: cell phones, pagers, computers, cameras, audio/visual equipment, prescription drugs, and tools.

2. I will not give anything to an inmate nor (receive) anything from an inmate.
3. I will not engage in a romantic or sexual relationship with an inmate even if the inmate gives their consent. I will not perform nor allow to be performed upon me any form of sexually gratifying contact with an inmate even if the inmate gives their consent. I will not engage in lewd or sexually suggestive conversation with an inmate nor allow an inmate to engage in lewd or sexually suggestive conversation with me.
4. I will have minimal physical contact with inmates.
5. I will have no personal dealings with an inmate, either giving or receiving. This includes, but is not limited to, making phone calls, mailing letters, delivering packages, relaying messages, making purchases, selling or buying items, or entering into any business or profit relationship with an inmate or their family.
6. I will maintain legal and ethical boundaries with all inmates.
7. I will not engage in any personal communication with an inmate that is housed in the facility where I am a volunteer. This includes, but is not limited to, letters, emails, and phone calls. I understand that if I am selected to serve as an approved mentor, I will then be allowed to communicate with my mentee under the parameters of the Mentor Agreement.
8. I will not allow any inmate to reside in my residence or be employed under my direct supervision upon their release from incarceration.
9. If I assist an inmate with their reentry upon their release, and thereafter they are reincarcerated, I will immediately notify GDC.
10. I will not divulge any confidential or private information concerning an inmate or staff member and will seek to maintain the highest level of respect for the right of privacy for all inmates and staff.

PRISON RAPE ELIMINATION ACT (PREA) NOTIFICATION

1. I understand that GDC has a zero-tolerance policy toward any sexual misconduct, sexual harassment, or sexual abuse between inmates and between inmates and staff or volunteers.
2. I understand that I am obligated to report all sexual abuse or sexual harassment between inmates or between inmates and staff or volunteers whether I observe the incident, or the incident is reported to me.
3. I understand that all romantic and/or sexual relationships and/or activities between an inmate and a volunteer are strictly prohibited even if the inmate gives their consent and is a willing participant in the activity.
4. I understand that if I am suspected of engaging in a romantic or sexual relationship with an inmate, I will be terminated as a volunteer with the GDC and will be banned from all GDC facilities.

GEORGIA DEPARTMENT OF CORRECTIONS VOLUNTEER HANDBOOK

5. I understand that if I am suspected of engaging in a romantic or sexual relationship with an inmate, I will be referred to the appropriate law enforcement agency for a full investigation and possible criminal prosecution under Georgia law.

PRECAUTIONS FOR AVOIDING AIRBORNE AND BLOODBORNE INFECTIOUS DISEASES

Though the risk of contracting such diseases is very low for the volunteer, observing common sense precautions does mitigate the risk to a greater degree.

1. If you believe an inmate has an infectious illness, ask them to cough or sneeze into a tissue and dispose of such properly.
2. Do not touch the bodily fluid (blood, mucus, semen, saliva, etc.) of anyone for any reason. If you see the aforementioned, contact a staff person.
3. If you accidentally come into contact with bodily fluid, wash area immediately with warm soapy water for at least 20 seconds, report incident to group leader or officer.

I AGREE

By signing this agreement, I affirm that I have carefully read its content and have had each part of it fully explained to me. I agree to adhere and abide by each part of this agreement as a condition of my status as a volunteer with the GDC.
